#### DETAILS OF INVESTIGATION

At approximately 2030, on September 27, 2025, Homeland Security Investigations (HSI) Special Agent (SA) Ryan was assisting personnel with Immigrations and Customs Enforcement (ICE) Enforcement and Removal Operations (ERO), Homeland Security investigations (HSI) and the Customs and Border Protection (CBP) Office of Border Patrol (OBP) in extending the protest perimeter around the ICE ERO Broadview Processing Facility.

While extending the perimeter, I was able to hear indications of a struggle to my right, but my view was obstructed by an ERO vehicle. I crossed behind the vehicle and was then able to see two separate groups of law enforcement agents with subjects on the ground, attempting to take the subjects into custody. I identified a lone officer with a single subject and arrived to assist that agent in placing handcuffs on the subject, later identified to be Jocelyne ROBLEDO (DOB [PII]/1995). While attempting to gain control of ROBLEDO and position her arms behind her back, ROBLEDO's shirt was slightly lifted, exposing the muzzle of a pistol. I alerted the other agents to the presence of a firearm by announcing "gun" and proceeded to remove the weapon from the belly band type holster that it was secured in. Once removed, I passed it to a Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF) SA that arrived when I announced the presence of the weapon. Once the weapon was passed off, I continued to place ROBLEDO in handcuffs. ROBLEDO was then assisted to her feet, and a hasty search was performed. A pocket knife was found folded inside ROBLEDO's left front pants pocket. ROBLEDO was then escorted into the processing facility. ROBLEDO continued to resist the escort the entire way into the facility.

ROBLEDO was processed into EAGLE under event number [LES] and turned over to ATF for further investigation.
