BACKGROUND:

Employee Issues - Intentional/Unintentional Firearm Discharge / Use of Force / Shots Fired / Shooting

On 10/04/2025 10:30: On October 4, 2025, Border Patrol Agents in support of Operation Midway Blitz in Chicago, Illinois were conducting targeted enforcement in the Brighton Park neighborhood of Chicago, Illinois. At approximately 10:30 A.M., near the intersection of W. 39th Place and S. Kedzie Avenue, agents with the Mobile Response Team (MRT) were in their government vehicle when they became surrounded and boxed in by approximately ten civilian vehicles. Soon after finding themselves surrounded, a black 2002 GMC Envoy ([REDACTED] PII) being driven by SANTOS-Ruiz, Anthony Ian (USC, [REDACTED] PII /2004) began to ram the government vehicle, preventing it from being able to move. Agents exited their vehicle to get the civilians to disperse and to prevent any additional assault from taking place. After exiting, a grey 2013 Nissan Rogue ([REDACTED] PII) being driven by MARTINEZ, Marimar (USC [REDACTED] PII /1994), accelerated forward in an attempt to run over agents on foot. To defend himself and fellow agents, an agent drew his service issued Glock 47 and fired a total of five rounds through the windshield, striking the driver of the Nissan Rogue. After the shots were fired, MARTINEZ fled the scene in her vehicle and at 10:36 A.M., agents called Chicago Police Department (CPD) for assistance. At approximately [REDACTED] LEP, officers with CPD found the GMC Envoy near a Clark gas station located at 3947 S. Kedzie Avenue and took the driver, SANTOS into custody. Via a phone call made by CPD on site, it was discovered that MARTINEZ fled in her Nissan Rogue to the Big Rig Oil Pros located at 2756 W. 35th Street where she was then transported via ambulance to Mount Sinai Hospital located at 1500 S. Fairfield Avenue. A subsequent search of MARTINEZ' purse by CPD revealed a handgun in her purse. Agents began to secure the scene of the shooting as well as the scene where the GMC Envoy was discovered by CPD. At approximately [REDACTED] LES, special agents with the Federal Bureau of Investigation (FBI) reported that they were responding to W. 39th Place and S. Kedzie Avenue to begin their investigation of the shooting and to help secure the scene. Additionally, agents were dispatched to Mount Sinai Hospital where they confirmed the identity of the driver as MARTINEZ and were informed by medical staff that she was struck by gunfire once in her right lower leg, twice in her upper right thigh, once in her right forearm, and a grazing wound in her right breast. At approximately [REDACTED] LES, agents on the ground were advised by CPD that they were being ordered to depart from both the Mount Sinai Hospital as well as the location where the GMC Envoy and Nissan Rouge were recovered. This led [REDACTED] LEP CBP personnel being dispatched to respond to [REDACTED] LEP enes to assist in providing security. Calls made via telephone by agents on the ground to CPD for additional assistance were met with resistance and disinterest. Over the course of the next four hours, multiple incidents of assaults on agents and impeding their lawful authority took place. This included vehicular assault, the throwing of objects (glass bottles, road cones, deployed chemical munitions), and physically pushing agents. Agents responded with force to include deployment of chemical munitions against violent protesters. It was reported by agents on the ground and supported by air support assets that the number of protesters showing up to the scenes along S. Kedzie avenue was at least 200. Upon her release from the hospital at approximately 2:42 P.M., MARTINEZ was taken into custody by FBI and charged with violation of 18 USC 111. CPD also turned over custody of SANTOS to FBI and charged with the same. Upon completion of their investigation, additional charges are possible. At approximately 3:03 P.M., CPD assumed control of all scenes and all CBP personnel began their exfil from the area. Agents were informed over [REDACTED] LEP [REDACTED] LEP At 3:40 P.M., all CBP personnel were confirmed safe and accounted for.

Details:

- Was this incident part of a special operation? Yes
