1300 – ERO SRTs conducting surveillance for high-risk admin targets and crim warrants.

1500 – Crowd still gathered at BSSA, no issues.

1628 – All field teams cleared from the field.

1800 – ISP issues order to disperse and clears crowd from the area.

1805 – ERO SRTs cleared from the field and prepping for tomorrow's target.

3. Law Enforcement Coordination

ICE/ERO SRT working in conjunction with USBP MRT, BORTAC, OFO SRT, BOP SORT, Illinois State Police (ISP), and Cook County Sheriff's Office (CCSO) for overall security of the Broadview Facility. BOP SORT, and ISP/CCSO will continue to provide 24 hr. protection.

4. Equipment / Facility Status

The facility sustained no damage during today's operational period. All surveillance systems, lighting arrays, and access control infrastructure remained fully operational. ICE/ERO SRT operators inspected all equipment, finding no issues, and prepped for the next day's assignments.

5. Injuries

There were no injuries to SRT personnel on today's date.

6. Intelligence Summary

Protests continue daily at BSSA. FOTs continue to experience assaults and individuals interfering with arrests.

7. Actions Planned

All ERO SRT will continue operations as QRF for enforcement actions and security of Broadview ICE facility. ERO SRT plans on conducting surveillance for upcoming criminal warrants.

8. Arrests

ERO SRT made no arrests at BSSA on today's date.
