DETAILS OF INVESTIGATION

On September 19, 2025, Homeland Security Investigations (HSI) Chicago Special Agents Clay Wildt and Dylan Belcher responded to the Broadview Service Staging Area (BSSA) in Broadview, Illinois after reports that several Immigration and Customs Enforcement (ICE) Enforcement and Removal Operations (ERO) Deportation Officers (DO) and Customs and Border Protection (CBP) Officers had been assaulted by protesters who were in attendance at a preplanned anti-immigration enforcement.

Agents encountered Antonio REYES in a common holding area with several other detainees. REYES was escorted to an interview room; agents read REYES his Miranda warning in the English language. REYES indicated that he understood his rights and did not wish to speak to agents. REYES refused to sign the Miranda warning form.

REYES provided biographical data and was issued a misdemeanor citation for assault (8USC111); he was fingerprinted and released without further delay.

When asked for an account of the assault, Customs and Border Protection Officer (CBPO) Eduardo Forte provided the following report concerning the arrest of REYES. The following narrative was provided directly from Forte and has not been altered with the exception of identifiers added in brackets to differentiate the arrest of two separate subjects:

On 9/19/2025 While supporting ERO secure the federal building, I was assisting with crowd control when the TL for my team announced "arrest team get ready". I noticed my fellow officers pointing at a male with a maroon hat [RIOS] that was trying to be sneaky as he moved to the left of the crowd and was quickly trying to get away. I relayed the info to my teammates to the left of me and did a short sprint to stop him. The subject [RIOS] saw me and tried to run over me. We ran into each other and he began resisting. As other officers began to assist me, the subject [RIOS] was brought down and continued to resist and fight as I said commands to stop resisting. Eventually we controlled his hands and he was carried into the ERO facility.

After that subject [RIOS] was carried into the ERO facility, I went back to assist with crowd control. I scanned the area and noticed a group of officers struggling to detain a subject. I rushed over there and helped with keeping the perimeter organized. As that group looked good, I went over to help another group when a tall subject [REYES] kicked me. As he [REYES] kicked me, it made me trip and run into my teammates. I turned around and tackled the subject [REYES]. As other officers assisted, this subject [REYES] was resisting and attempting to grab tools from officers vests and belts. We struggled to control him [REYES] so the decision to carry him inside was made by each officer grabbing a limb and carrying

him inside the ERO facility. I stayed back and we formed a line to keep the crowd from moving towards the gate.

*****Agent Note:** Prior to the collecting witness statements, agents advised officers that they were NOT representatives of the Office of Professional Responsibility (OPR); officers were further advised that they could elect to NOT make statements to agents. As these were witness statements, agents did not provide officers with employee warnings (Garritty/Kalkines) or Miranda warnings. If applicable, officers were not offered union or legal representation.

The investigation continues.
