DETAILS OF INVESTIGATION

On September 19, 2025, Homeland Security Investigations (HSI) Chicago Special Agents Clay Wildt and Dylan Belcher responded to the Broadview Service Staging Area (BSSA) in Broadview, Illinois after reports that several Immigration and Customs Enforcement (ICE) Enforcement and Removal Operations (ERO) Deportation Officers (DO) and Customs and Border Protection (CBP) Officers had been assaulted by protesters who were in attendance at a preplanned anti-immigration enforcement.

Agents encountered Maxwell WOLF in a common holding area with several other detainees. WOLF was escorted to an interview room; agents read WOLF his Miranda warning in the English language. WOLF indicated that he understood his rights and did not wish to speak to agents. WOLF refused to sign the Miranda warning form.

WOLF provided biographical data and was issued a misdemeanor citation for assault (8USC111); he was fingerprinted and released without further delay.

When asked for an account of the assault, Customs and Border Protection Officer (CBPO) Patrick Kime provided the following report concerning the arrest of WOLF. The following narrative was provided directly from Kime and has not been altered:

On 9/19/25 at approx 1836 hours, while conducting mobile field force formations at Broadview, IL ICE facility. To allow vehicles to enter and exit the facility.

U.S. Customs and Border Protection (CBP) Office of field Operations (OFO) Special Response Team (SRT) were assaulted by rocks, potato's, water bottles, and other unknown objects at myself and other officers. I observed an individual wearing a blue long sleeve shirt, dark pants and a red and white head wrap throw an unknown object at SRT. OFO SRT pursued the individual as he attempted to evade on foot. I SRTO Kime, Patrick executed a controlled takedown to the ground of the individual and placed him in zip tie hand cuffs. He was then turned over to ICE ERO agents and held for HSI agents for processing.

When asked for an account of the assault, Customs and Border Protection Officer (CBPO) Joshua Prince provided the following report concerning the arrest of WOLF. The following narrative was provided directly from Prince and has not been altered:

On 9/19/25 at approx 1836 hours, I U.S. Customs and Border Protection (CBP) Special Response Team Operator (SRTO) Joshua Prince and other SRTOs responded to at the Immigration and Customs Enforcement (ICE) at Broadview, IL ICE facility. SRT was asked to assist in a

Mobile Field Force (MFF) capacity due to a large mob gathering in front of the ICE facility. The large mob was blocking the vehicular gate and was not allowing vehicles to enter and exit the facility.

The large mob was advised multiple times to clear the vehicle driver way when they refused to do so. As Officers approached the large mob, they were assaulted by rocks, potato's, water bottles, and other unknown objects that were thrown at myself and other officers. I then observed an individual wearing a blue long sleeve shirt, black pants, a red and white head wrap and a gas mask throwing an unknown object (potato size) at myself, missing and hitting the white ERO transport vehicle that was exiting the ICE facility. I then saw the subject grab another potato size object and present the object as if they were going to throw it. I pointed at the individual and the subject immediately dropped the object and tried to run. While keeping my eyes on the subject and pointing with my finger, I communicated to our arrest team to apprehend the subject and place him under arrest. SRT0 Kime, Patrick and other officers were able to apprehend the individual and conducted a controlled escort to the ground. At that time the officers were able to place zip tie hand cuffs and escort the subject within the gate of the ICE facility. The subject was then turned over to ICE ERO agents and held for HSI agents for processing.

*****Agent Note: Prior to the collecting witness statements, agents advised officers that they were NOT representatives of the Office of Professional Responsibility (OPR); officers were further advised that they could elect to NOT make statements to agents. As these were witness statements, agents did not provide officers with employee warnings (Garritty/Kalkines) or Miranda warnings. If applicable, officers were not offered union or legal representation.**

The investigation continues.
